To

The Director of Public Instruction.

Sub:—Reorganisation of the Education Department.

Ref:—Letter No. C. 14233/56 dated 6-8-1956 from the Director of Public Instruction.

Sir,

I am directed by the Raj Pramukh of Travancore-Cochin to address you on the subject of the reorganisation of the Education Department.

2. The Department has of late grown largely and the volume of work it has to handle has increased considerably. The P. S. S. Scheme alone, for instance, has brought more than 1000 additional schools under the full administrative and financial control of the Department. The very pattern of education has been recast and the courses of studies are being reformed. Under the Second Five Year Plan several important educational schemes have been taken up and are in the course of implementation. Technical Education, which was till now receiving little attention, has now been given a very important place in the Plan. Technical schools are being started and technical courses introduced in the Higher Secondary Schools. Education of the handicapped has been taken up and more institutions are being established for the purpose. A very elaborate programme of building construction is being undertaken by the Department at considerable cost. The transfer of the Provident Fund Section from the Comptroller's Office to the

Education Department, the opening of new academies of Music, Schools of Painting etc., the starting of Nursery Training Schools and Nursery Schools, expansion of social education, the setting up of a separate Research Unit in the Department for intensive Research work in the field of Education the organisation of Audiovisual Education Units, Vocational Guidance Clinics, Distributing Libraries etc., all these have added very considerably to the work of the Education Department. The expansion of the Department on the administrative side has not, however, kept pace with the increase of work. Government feel that in order to enable the Department to deal effectively and promptly with the large volume of work and to exercise efficient control over the very large number of institutions under it, the administrative machinery of the Department requires immediate strengthening. After the most careful consideration of all the issues, therefore, Government have decided to reorganise the Department on the following lines:

3. (a) DIRECTION.

(b) INSPECTORATE.

(i) *Divisional Officers.*

At present there are 3 Education Divisions in the State each under a Divisional Education Officer on Rs. 450-600. There is also an Inspectress of Girls School at Trivandrum on the scale of Rs. 450-600. This latter post will be abolished and instead another post of Divisional Education Officer created. Of the four posts of Divisional Education Officers, one will be for Malabar.

The existing staff of the three Divisional Offices and the office of the Inspectress of Girls Schools consist of 3 Superintendents on Rs. 150-250, 39 Clerks, 11 Typists, 21 Peons and 4 contingent menials. The following will be the total sanctioned strength of the staff of the four Divisional Educational Offices in the reorganisation:—

Superintendents	4	Rs. 150-250
Clerks	52	(including clerks for attending to noon-feeding bills.)
Typists	12	
Peons	20	
Contingent Menials	4	

(ii) *District Educational Officers.*

There are 8 District Educational Officers excluding the one at Nagercoil to be transferred to the Madras State and one Inspectress of Girls Schools at Ernakulam.

Most of the District Educational Officers now have over 60 High and Training Schools under their direct control and some of them as many as 70 and even more. These Officers have also to supervise the academic work in the Primary schools. For the efficient supervision and control of the institutions it is considered that no District Officer should have more than 45 High and Training Schools under his direct control. When work is redistributed on this basis there will be 14 Educational Districts in the State excluding the area to be transferred to Madras State. Government are pleased to sanction 6 more posts of District Educational Officers on Rs. 300-500 so as to make up the number of Officers to 14. The post of the Inspectress of Girls Schools, Ernakulam will be abolished.

The existing staff of the District Educational Offices excluding the one at Nagercoil and of the office of the Inspectress of Girls Schools, Ernakulam consist of 9 Head Clerks on Rs. 80-150, 72 clerks, 18 Typists, 27 peons and 9 contingent menials. With the increase in the number of District Educational Officers to 14 the following will be the strength of their office staff:—

Superintendents	125-200	..	14
Clerks		..	140
Typists		..	28
Peons		..	42
Cotingent Menials		..	14

(iii) INSPECTORS OF PRIMARY SCHOOLS.

There are at present 50 sub-districts excluding those in the area to be transferred to Madras, each under an Inspector of Primary Schools. The number of schools under an Inspector varies from 50 to 120. In order to enable him to make a thorough inspection of all the schools at least once a year, an Inspector should not have more than 70 schools in his charge. The number of sub-districts will therefore be raised to 68 at the rate of 70 schools (Primary) per sub-district and 18 additional posts of Inspectors will be created.

Inspectors of Primary Schools are now given a P. T. A. of Rs. 35/- per mensem. This will be raised to Rs. 50/- per mensem.

Inspectors will be redesignated as Assistant Educational Officers.

The staff attached to the offices of Inspectors of Primary Schools excluding those working in the area to be transferred to Madras State consist of 206 clerks, 50 peons and 50 contingent menials. The following will be the reorganised strength of the offices of the 68 Assistant Educational Officers.

Clerks (including a post of clerk-typist for each office)	..	343
Peons	..	68
Full-time menials	..	68

(iv) *High Schools.* Each High School will have at least one clerk. An additional clerk will be sanctioned for each High School where the strength is above 1000.

(v) Two Graduate Teachers will be engaged to inspect Basic Schools. They will be given a Lower Division Clerk and a peon each.

(vi) Leave Reserve at 5 per cent of the total strength of clerks is sanctioned. The Director of Public Instruction will report the actual number of additional clerks to be sanctioned.

(vii) The number of posts of clerk and typist in the Upper Division and Lower Division has to be fixed. I am to ask you to submit proposals in this regard.

(viii) The posts that are now being created will be temporary for the rest of the current financial year.

(ix) According to existing arrangements Senior Graduate Teachers are transferred from time to time as Inspectors of Primary Schools. These teachers have no administrative experience and are ignorant of the Code rules and office procedure. Government consider that the selection of Officers for the Inspectorate should be made in advance and the persons selected given 3 months' training in office routine in the office of the Director of Public Instruction and in subordinate offices of the Department. The training will be given in batches of six at a time. No additional posts of graduate teachers will be sanctioned on this account. Separate orders will issue indicating the method of selection.

(x) Government also direct that Headmasters of High Schools shall pass a Depertmental Test to be prescribed for the purpose before they are confirmed.

(xi) I am to add that this reorganisation will be given effect to from 1st November 1956.

(xii) The receipt of this letter may be acknowledged.

By order of His Highness
the Raj Pramukh,
K. K. RAMANKUTTY,
Secretary.

PROCEEDINGS.

Dated, Trivandrum, 20th October 1956.

Sub:—Department of Colonisation - abolition of.

Read again 1. G. P. D. Dis. 203/56/Fd. D. dated 3-2-1956.

2. G. P. HS. 3-4223/56/Fd. D. dated 23-5-1956.

ORDER HS. 3-4223/56/Fd. D.

In the Government Proceedings read as second paper above, the staff of the Department of Colonisation in the Districts was ordered to work under the supervision and control of the District Collectors concerned for the proper supervision and efficient implementation of the works in the Department of Colonisation included in the Second Five Year Plan. It was also ordered that the Director of Colonisation will address the Collectors in all matters concerning his Department in the District. In the above Government Proceedings the Collectors were delegated powers to accord administrative sanction for schemes under Poor Housing, Settlement, Subsidised Industrial Housing and Co-operative Colonisation Schemes costing Rs. 20,000 and below. All estimates of the Department for schemes costing above Rs. 20,000 were ordered to be submitted to Government in consultation with the Collectors.

2. It has now come to the notice of Government that the above arrangements have led to duplication of work in the office of the Director of Colonisation and in the Collectorates and that the existence of the present Department as it is, is superfluous. The Department has not got adequate machinery at the District and Taluk level. Having regard to the above, Government consider that there is no special necessity for the continuance of the Department of Colonisation. They are, therefore pleased to order the abolition of the Administrative branch of the Department of Colonisation with effect from the afternoon of 31-10-1956 and the readjustment of the functions hitherto administered by the Director of Colonisation as follows:

3. The existing staff in the technical and administrative branches of the Department of Colonisation are shown in Annexure I appended to this order. The functions hitherto administered by the Director of Colonisation will be transferred to the administrative control of the District Collectors concerned.

4. Sanction is also accorded for the abolition of the following posts with effect from the afternoon of 31-10-1956.

(1) Director of Colonisation on Rs. 450-600

(2) Manager in the Office of the Director of Colonisation on Rs. 125-200.

5. Orders regarding the postings of Sri P. Kesavan, the present Director of Colonisation will issue separately. The post of the Manager is vacant and the question of providing the existing incumbent in any other Department does not arise.

6. The remaining administrative staff of the administrative branch attached to the Director of Colonisation will be distributed among the four Collectorates. Incumbents who have got permanent lien in other Departments will retain their lien in their parent Departments, and officiating and temporary hands including the Typists will be provided in the Collectorates and they will be absorbed in the Revenue Department giving them appropriate ranks in the Revenue Department in the respective grades in which they are acting now, with reference to the dates on which they were appointed by the Public Service Commission.

7. The technical and the ministerial staff attached to the Department under the Sub Division Officer and the Divisional Accountant, one Accountant (Upper Division) and one Lower Division clerk and the Stenographer in the administrative branch in the Director's office will continue under the technical and administrative control of a "Housing Officer" to be appointed in the grade of an Executive Engineer for the rest of the current financial year. The "Housing Officer" will be the technical adviser to the District Collectors in the matter of all Housing Schemes hitherto been dealt with by the Department of Colonisation. The Housing Officer will work directly under the administrative control of the Local Government Secretary with responsibility for expediting matters on all fronts. It will be the duty of the Housing Officer to go round and inspect the progress of construction, particularly from the administrative point of view of expediting the disbursement of the sanctioned loans under the Low Income Group Housing Scheme.

8. Sanction is accorded for the creation of a temporary post of a Housing Officer in the Grade of an Executive Engineer with effect from 1-11-1956 with State-wide jurisdiction. The expenditure will be debited to the savings in the current year's budget of the Department of Colonisation. Orders regarding posting of the "Housing Officer" will be issued separately.

9. The present Sub Division Officer will work under the "Housing Officer" for a period of one month from 1-11-1956 and will revert to his parent Department at the end of the period. The four Section Officers at present attached to the Department of Colonisation in the Districts will be placed under the administrative control of the District Collectors.

10. The Director of Colonisation will issue relieving orders to the staff with directions to report themselves for duty to the District Collectors concerned. All the existing records will be sorted out District-war and listed and will be despatched to the Collectorates concerned with the staff transferred and acknowledgements obtained. Records which cannot be separated and those of a common nature, furniture, stationery and other valuables in the office will be listed out and handed over to the "Housing Officer" and his receipts obtained. Lists in duplicate of all the files and stationery and furniture so sorted and listed should be forwarded to Government.

11. Government are also pleased to sanction that the Low Income Groupe Housing Scheme loans hitherto being sanctioned by Government will hereafter be disposed of by the Collectors in strict conformity with the rules issued thereunder. Cases of doubtful nature if any will be referred to Government then and there and clarification obtained. The legal scrutiny of the cases will be effected by reference to the Government in the Law Department.

12. All the pending applications under the Low Income Group Housing Scheme with the Director of Colonisation will be sorted out and forwarded to the District Collectors concerned for further action. The Tahsildars will in future forward the applications with their recommendations to the District Collectors direct instead of sending them to the Director of Colonisation. They will continue to forward fortnightly statements to Government with copy to the Collectors showing the pendency of the applications and the stages as per the *pro forma* already prescribed.

13. A copy each of the following schemes is forwarded to the Collector:

(i) Poor Housing
(ii) Subsidised Industrial Housing
(iii) Settlement
(iv) Co-operative Colonisation
(v) Low Income Group Housing

14. The powers delegated to the Director of Colonisation in the Government Proceedings read as first paper above are also delegated to the Collectors so far as they relate to the various Housing Schemes.

15. Orders regarding the distribution of budget allotment in the current year's budget and orders authorising the Collectors to function as sub-controlling officers with regard to the above provision in the budget will issue separately.

L. S. G. Department (Municipal)

PROCEEDINGS

Dated, Trivandrum, 29th October 1956.

Sub:—Gradation list of Municipal Commissioners—Finalisation of.

Read:—1. G. P. LS3-8059/53/EHLSG dated 16-11-1953.
2. G. P. LS5-11351/54/DD dated 10-11-1955.
3. G. P. LS. 14-27276/55/DD dated 24-12-1955.
4. G. P. LS. 5-8147/56/DD dated 21-4-1956.
5. Letter No. A1-2864/56 dated 23-10-1956 from the Public Service Commission.

ORDER LS5-9652/56/LSG.

In G. P. read as secend paper above the ranks of Commissioners in the various grades were fixed as shewn in Annexure I.

In G. P. read as third paper above two Assistant Directors of Panchayats, Messrs. M. Karthikeyan Asari and S. S. Naidn on Rs. 250-400 were appointed as Municipal Commissioners. The question ef fixing their rank among Commissioners had been engaging the attentien of Government for some time.

Government after careful censideration are of the view that the most equitable principle to fix their ranks weuld be to take the pre-revision scales of pay in which these officers were on the eve of their appointment as Commissioners as the basis fer determining the relative seniority.

Sri M. Karthikeyan Asari had continnous service in the scale of Rs. 225-275 as Assistant Director of Panchayats from 19-8-1952 and Sri S. S. Naidu as Assistant Director of Panchayats in the grade of Rs. 175-225 from 1-7-1951. Sri M. Karthikeyan Asari and Sri S. S. Naidn are assigned ranks above Sri N. P. Subramonia Iyer aed Sri B. Sivagurunathan Chettiar respectively. The scale of pay of Rs. 250-400 that they were drawing on the eve of their appointment as Commissioners shall be traated as personal. A revised nomination statement is appended as annexure II.

Owing to the delay in fixing the relative ranks of Sri M. Karthikeyan Asari and Sri S. S. Naidn among the Commissioners, several promotions which fell dne on different dates were not given effect to. New that the ranks of the Commissionars have been finally fixed, Government are pleased to erder the following promotions and confirmation.

Massrs. M. Karthikeyan Asari, N. P. Subramonia Iyer, K. Bhoothalingom and M. V. Narayana Iyer, Commissioners in the III grade are promoted as Commissioners in the II grade from the dates on which the pests in the II grade fell vacant consequent on the appointment of Messrs. N. Gopala Pillai, K. G. Govindan, P. D. Kurnvilla as Depnty Director of Local Bodies and Sri G. Appukuttan Pillai as Commissioner, Corporation.

Consequent on the above promotions, there will be 3 vacancies in the III grade. Messrs. S. S. Naidn, B. Sivagurunathan Chettiar and K. Venkiteswara Pai, Commissioners IV grade

are promoted as Commissioners III grade with effect from the dates on which the posts fell vacant.

There will be three vacancies in the IV grade consequent on the promotion ordered in the foregoing paragraph. The following Commissioners in the V grade have completed their period of probation on the dates mentioned against them.

Sri A. V. Devassy	21-1-1956 A. N.
„ K. V. Kumaran	21-1-1956 A. N.
„ G. Knnjuraman	22-1-1956 A. N.
„ P. Hameed All	23-1-1956 A. N.
„ C. Gopalan	15-5-1956 A. N.

In Notification R. Dts. 11601/49/EHLSG dated 8-6-1953, it was laid down that the Municipal Commissioners on probation should pass Account Test (Higher) Examination during the period of probation.

Sri A. V. Devassy passed the test and he was promoted to the IV grade from 19-6-1955. Messrs. K. V. Kumaran, G. Kunjuraman and C. Gopalan have not passed the Account Test so far. Sri Kumaron is now working as Block Development Officer. Messrs. G. Knnjuraman and C. Gopalan have claimed that they are eligible for permanent exemption from passing departmental tests by virtue of G. P. S2-14818/51/CS. dated 21-3-1953. Their claims for confirmation and promotion will be looked into and orders issued in due course. Orders regarding the confirmation of Sri A. V. Devassy will also be issued in due course.

Sri Hameed Ali, V Grade Commissioner, successfully completed his period of probation on 23-1-1956. He has also passed the Account Test (Higher). He is therefore confirmed as V grade Commissioner and promoted to the IV grade. His confirmation in the V grade and promotion to the IV grade will take effect from the date on which he passed the test viz., 13-8-1956.

The dates on which the promotions and confirmation ordered in this G. P. will take effect, are given in annexure III.

Messrs. N. P. Snbramonia Iyer, B. Sivagurunathan Chetttar, and P. Hameed Ali, Commissioners whose promotions are ordered in this G. P., have been allotted for service under the Madras Government.

By order of His Highness
the Raj Pramukh,

P. J. Mathew,
Deputy Secretary.

Sub:—Administration report for 1955-56 department of Soil Conservation-review of.

Read:-Letter A. 1233/56 dated the 2nd October, 1956 from the Director of Soil Conservation.

ORDER A. 2-13646/56/RD.

1. Recorded.

2. The department of Soil Conservation started functioning from January 1955 with Dr. M. Sukumaran Nair as the Director of Soil Conservation who continued to be so during the period under review.

3. The department was constituted with two main objects *viz.*, (a) to completely control and prevent soil, erosion of cultivated sloping dry lands susceptible to loss by soil erosion with special emphasis on the cultivated catchment of the river valley and hydro-electric projects of the State and (b) to provide a partial solution to the ever increasing problem of un-employment by constituting a land army to execute effective anti-erosion measures with manual labour.

4. The department was organised with financial assistance from the Central Soil Conservation Board of the Government of India on the basis of a six year Scheme. According to the scheme 75% of the cost of works done on any land has to be realised from the beneficiaries concerned, the balance being met by the Central and State Government equally.

5. From the date of the inauguration of the scheme on 19th January, 1955, till the end of the year under review effective soil conservation measures were implemented in an area of 372.60 acres in Khoompanpara in Devicolam Taluk at a total cost of Rs. 40,135-4-0 towards wages to 26,757 men days of labour. Another area of 774.6 acres in Vettilapara Ex-servicemen's Colony was selected for work and the work was completed by the middle of March 1956. The total expenditure incurred for field work in this area came to Rs. 86,618-8-0. This work provided 57,745 men days of labour.

6. Several distinguished persons visited the working of the Project during the year under report. Among the more distinguished persons

Sri S. V. Ramemurthi, Agricultural Adviser to the Planning Commission, Dr. J. K. Basu, Director of Soil Conservation (Agriculture) to the Government of Indie and Sri D. C. Kalth, Director ef Soil Conservetion (Forests) te the Government of India deserve special mention.

7. The total expenditure for the working of the Deparlment during the yeer under review came te Rs. 2,55,292·3·7.
